Facilitator Questionnaire - Activity 1

Babylist: Make an Intangible Service Easy to Trust

1. Which functional, financial, time and social risks affect the customer's decision?
2. What brand benefits could matter to customers, employees and the business?
3. Which three tangible cues would make the promise easier to trust?
4. What is the defensible competitive advantage, and what evidence is still missing?

Challenge questions

1. Which claim is a verified fact, which is an assumption, and which still needs evidence?
2. What would cause your service-brand recommendation to change?
3. Which customer, employee or partner perspective could invalidate the plan?
4. How will you demonstrate changed experience rather than completed activity?

Debrief guide

Ask groups to separate facts, assumptions and interpretations. Compare proposals using relevance, distinctiveness, deliverability and evidence. End with a named owner and next validation action.
