Facilitator Questionnaire - Activity 5

Zappos: Build an Internal Brand Adoption System

1. What must employees understand, believe, know and be able to do?
2. Which three behaviours best express dependable care at critical moments?
3. What systems currently contradict the promise?
4. How should champions, managers and leaders reinforce adoption?

Challenge questions

1. Which claim is a verified fact, which is an assumption, and which still needs evidence?
2. What would cause your service-brand recommendation to change?
3. Which customer, employee or partner perspective could invalidate the plan?
4. How will you demonstrate changed experience rather than completed activity?

Debrief guide

Ask groups to separate facts, assumptions and interpretations. Compare proposals using relevance, distinctiveness, deliverability and evidence. End with a named owner and next validation action.
